

## **Evening News:**

The most important priority that emerged from today for those who felt they could share...

- Discovering the principal with instant composition. Rethinking relationship to words on a page.
- Remain open and fully invested in what you're doing here rather than thinking of outcomes or what you should be doing. Invested= making sense
- Jumping in the deep end.
- Just carry on.
- Permitted a space for a soft landing and allow possibility of ramifications of the work has been done over the week. Important space.
- Pleasure of the questions being beautifully misread as different questions.
- Continue finding out where I am
- Energising day.
- Make make make make make make make make make... Make.
- Realise there is a desire to practically continue work. Seeing and doing and learning. See more.
- Lucky to be here. A gift.
- Take advantage of all the opportunities that are already there.
- Thankful. Shared emotions. Really well done and comfortable in a balanced way. Appreciative.
- To dwell on the things that help to make and to leave the others behind.
- YOU ARE LIONS. BRAVE BUT LOOKING OUT FOR EACH OTHER. A PRIDE OF LIONS.
